

CHAPTER 2

DON'T RUIN THE SURPRISE

PART 2

I'M SURE YOU'RE FILLED WITH ELATION
TO HAVE REACHED THE PEAK OF ELEVATION.
THIS MAY SEEM UNORTHODOX,
BUT AT EACH ANNUAL EQUINOX
SHADOWS SEEM TO TAKE A VACATION.

SPEAKING OF SHADOWS,
I WONDER IF YOUR GROUP KNOWS
THE NAME OF THE ROCK
FOUND RIGHT NEAR THE TOP
WHOSE PURPOSE IS NOT EXACTLY KNOWN?

A SUNDIAL OR ALTAR
ATTRACTING MANY AN EXALTER
USED FOR RITUAL SACRIFICES?
IT'S NOT KNOWN IN THE SLIGHTEST.
TO THIS DAY THE STONE STILL DOES NOT FALTER.

INDICATING NORTH, SOUTH, EAST, AND WEST,
AS AN OBSERVATORY, IT WAS THE VERY BEST.
I SHOULD SAY THOUGH, IT'S QUITE COMICAL
THAT ITS PURPOSE WAS ASTRONOMICAL
BUT NOT AS MUCH AS YOUR CHANCES OF COMPLETING THIS QUEST!
