## Part 2:

Not prepared for the climate, we forgot our thick furs!  
One has to wonder when frostbite will occur.  
Your fingertips are already numb, it would seem,  
And out here, no one can hear you scream  
So don't be afraid to shout "Brrrrrrrrrrrrr!"

The interior condition,  
You will find while on your mission  
Has been wonderfully conserved  
Though the seal meat was ill-preserved.  
Good thing your computer lacks smell-o-vision!

Keep your eyes out for a crate  
With the founder's namesake.  
What year is inscribed,  
Two years before he died?  
Keeping your eyes on the floor would be a mistake.
